New designs from Circu: Magic Salone del Mobile

In 2016 Circu is ready to spread wings and grow, and what better way to do this than at Isaloni? Salone del Mobile in Milan has become known as the main stage for new furniture design, to producers and creative minds from all around the world. For this simple reason alone, Circu stuck by it's commitment to bring stunning new pieces to one of the most important design events of the year.

Circu is much more than a Furniture Brand! Its mission is to team up with parents and help them to really appreciate their inner child and their child's visions and perspectives. Circu wants to provide the families more quality time, where the children can play and learn safely.

At Isaloni , Circu presented their new pieces and unveil some magical surprises!

Bun Van is a bed, reinvented by Circu. This bed is perfect to bring some fun and imagination to rooms! Inspired in one of the most iconic and magical symbols of fun and freedom! This is one of the most remarkable vehicles ever produced. Few other vehicles have the ability to turn heads and conjure a spirit of freedom, adventure and open roads.

The exterior of this piece is made in fiberglass with chrome plated finishes; the inside is made in palisander wood veneer. Inside it contains several storage compartments, a bed, a tv, a secretary, a mini bar and a sofa.

The other noveltie was Gold Box a toy box. All parents know that extra storage space in their kids rooms is always useful, and that's why Circu created the Gold Box. Circu designed this box that your kid can use to hide their most precious goods. With a secret compartment and a rotating cover, this is the ideal box for your kids! The exterior finish is made in gold chrome plated, and the inside finish is blue flocking.

Mermaid Bed and Moon Chair were the other two surprises for this trade show. Little mermaid bed was designed by Circu, and it's a shell shaped bed. Shells are meant to protect little pearls, to protect them from the mother nature. This princess bed will also protect your little girl, and help her to dream and become a under sea princess. This piece is made in fiberglass, nacre painted. Inside, it contains lighting.

CIRCU's moon chair is a unique furniture piece to decorate your kid's bedroom design. Made of white lacquered wood, it has a soft velvet interior and it's finished with exclusive fur fabrics.

The chair design is inspired by the animated fantasy movie Monsters Inc., where colorful fur monsters are supposed to scare little boys and girls but end up having afraid that children may contaminate them. This chair will bring fun and creativity to your children's world, opening their souls to a new adventure.

Stay tuned , because if you like these novelties we are working to preparing more magical furniture..
