MAGICAL FURNITURE

Maison et Objet 2018
Hall 7 | Stand F16-G15

Maison et Objet Paris, Hall 7 | Stand F16-G15

Once again, **Maison & Objet**, the leading home decor fair connecting the international interior design and lifestyle community will open doors from **19 to 23 January** in Paris. Circu will be there to present its new pieces **Hall 7 Stand F16 - G15**.

Maison & Objet is the international authority for home decor, interior design, architecture, trends and lifestyle culture. It is with a great pleasure that Circu will join this worldwide reference point for the furnishing and design sector.

This year we will highlight the main novelties of our Magical Furniture collection as our Kings and Queens Castle, Illusion Collection and our new Animals Stools collection!

You will also have the opportunity to see our well-known collection that includes pieces like Fantasy Air Balloon, Sky One and Rocky Rocket.

We are truly committed to give you the best experience and invites you to visit our stand and celebrate kids' magical world with us.

This is the best opportunity to enter our fantasy world and discover the magical pieces from Circu's collection!

We're waiting for you!

New Magical Products

KINGS & QUEENS CASTLE

Bed/Room

Long live the King and Queen! Castles have always been a source of inspiration, adventure and fantasy in the magical world of children. Whether in the role of a King or Prince or in the role of a Queen or Princess, Kings and Queens Castle will delight any child in love with story tails, being the center of their mystical adventures. This romantic fantasy item is the perfect item for kids to live a real fairytale with a happy ending. With an inspiring design, the intention is to turn sleepy times increasingly wanted by little princes and princesses.

ANIMALS STOOLS

Bird, Shark and Elephant

The Animal Stools collection owns an exclusive design that promises to awaken children's friendship with animals. When it comes to children's interiors, these stools introduce a modern design, always ensuring that the bedroom reflects the child's personality and is both fun and young. This stools series allows parents to choose the animal their kids like the most, being possible to choose from bird, shark and elephant. More than taking us to a fantasy world and awaken a wild sense of freedom, this item also has an educational purpose. In order to make it easier for parents to organize the room, the interior provides a storage compartment, intended for toys, scholar objects or any kids treasures.

New Magical Products

ILLUSION COLLECTION

Stool, Chair and Table

The Illusion Series brings a touch of magic to the children's playroomdecor. This kids' furniture set includes a table, a stool and a chair, the perfect addition to every bedroom and playroom where kids can develop their skills and learn new things. The beautiful illusion is created by the use of the translucent acrylic that gives the feeling of suspension on the air. Besides being a place where kids can play and study, the surface of the table also allows kids to draw with chalk and have way more fun. It also features a pencil cup where kids can store and organize their paint and study supplies.

FANTASY AIR COLLECTION

Bookcase, Chest and Nightstand

The Fantasy Air Collection welcome new elements as the Fantasy Air book case, the Fantasy Air Chest (6 and 3 drawers) and the Fantasy Air Nightstand. Inspired by the world of adventure, this collection is a reference to the Disney movie "Up". Parents can imagine and relieve the life of the famous Phileas Fogg from the book of Jules Verne "Around the World in 80 days". These amazing pieces by Circu are perfect to storage books, clothes and every secrets from our little ones. Each of these pieces has a large storage capacities, thanks to several drawers with a vintage suitcase design.

SKY ONE

Bed

Up, up and away! Take off to the sky for some aeronautical adventures. The Sky One Plane is an airplane themed kids bed with a playful design that it's both didactic and fun. An airplane inspired decoration for kids' rooms is perfect to encourage the little explorers to develop their creativity.

This airplane shaped kids bed is inspired by the Disney movie "Planes" character Skipper, an iconic Navy Corsair aircraft, providing this way both a modern and vintage motif to the bed.
